# MILLED BY A TRAIN. MES. Letitia Walsh Meets Death While MORE FIRE

APPROPRIATION OF \$3,000 FOR PUR-CHASE OF 5,000 FEET.

TELLS CHIEF HALE HE DOESN'T NEED THE NEW SUPPLY,

whistle.

Edward Walsh, husband of the deceased, is a brother of City Detective James Walsh, of the Kansas City, Kas., police force. He is employed by the Armour Packing Company as a tanner. His wife's maiden name was Letitia Harding. They were married only four months ago. She was 19 years old,

ment, and City Comptroller Hans Lund. It all occurred through the efforts of the chief and the fire committee to get enough hose to permit the fire department to extinguish fires. Mr. Lund had ideas of his own as to what the fire department needed; the chief had an idea that he knew how to run his department without dictary. the province of the comptroller to dictate

to that body.

The final results were a victory for the fire department and the fire committee and a failure on the part of the compareller to execute his threat to resign. Two members of the upper house fire committee, P. S. Brown, Jr., and J. T. ured ankle and the ladies were severely Seddon, had sent in an ordinance approshaken up, but were unhurt except for printing \$3,000 to purchase 5,000 feet of severe bruises. Dr. G. E. Ap Lynne, who hose for the fire department, the money attended Mr. Sammons, stated that he had to be taken from the contingent and inreceived a very painful injury to his ankie cidental fund. Preliminary to the intro-and the only thing to be guarded against duction of the ordinance, Comptroller Lund was its stiffening.

"The trouble with you," said Chief Hale, sarcastically, "is that you not only want to be comptroller and the city council, but the city fire department, as well. What do you know about the needs of the fire department, anyway?"

"I know you do not need the hose," said Mr. Lund, "and before I will ever certify to that ordinance I will resign."

But Mr. Lund did not resign. He certified to the ordinance and is still comptroller of Kansas City and the municipal machinery is moving along in the same old track.

addressing the council on the need of an addressing the council on the need of more hose Alderman Brown stated he had visited numerous fire houses after the Dold fire and found that many of the reels had returned with 200 feet of hose, the rest having burst. The regular equip-ment called for 750 feet.

#### CROW IS HIS CANDIDATE. Governor Stephens Will Push Him Forward in the Gubernatorial Race, It Is Said.

The stealthy word has gone forth through the channels of the Stephens machine in Kansas City that it were not best The Joslin and Asbury families closed their first annual reunion at Golden City.

Mo., last night. About seventy-five rependitives of the families were there reconnictly the families were there. governor gives the word must tact of the ma-commitment by local members of the ma-chine to any gubernatorial aspirant. It is said that Stephens is preparing to spring E. C. Crow as his choice for the office, and said that Stephens is preparing to apring E. C. Crow as his choice for the office, and that he will have the united support of the Stephens following in Kansas City, St. Louis and St. Joseph.

Although Crow has not announced his candidacy, he will probably yield gracefully to the inevitable if Governor Stephens states him as the nominee for governor.

ernor.
It is well known that Stephens is not

# favorable to the efforts of Docker, when it to secure the nomination cherry when it is ripe, and this lends color to the latest gossip of Stephens' support of Crow.

#### LEAVENWORTH ELECTRIC LINE. A tired, panting little water spaniel was Change in Grade at Missouri Pacific Crossing Will Delay It Un-

til October. Delay in the opening of the Kansas City & Leavenworth electric line will be caused by the grading not being completed nor have the crossings been made. The line parallels the Missouri Pacific tracks almost to Leavenworth, but at Vance there is a

ossing.
It is at this point that the trouble was used. The electric line at first made all rangements to cross on the grade and the issouri Pacific offered no objections until e grade was made. Afterwards, hower, it decided that the electric line must ever, it decided that the electric line must go under. This necessitated a change in the route and much other extra work. The electric line had bought a small switch engine to facilitate the work of track building, but this engine would not go under the new crossing.

It will probably be October 1 or later before the line will be in operation. The officers of the company say the equipment will be thoroughly up to date and that the ears will be nearly as large as day coaches

SANTIAGO DE CUBA, Sept. 4.—The duel between the editors of the Porvenir and Cubano Libre, which was to have taken place yesterday morning, did not transpire, both parties having been arrested. The pugnacious journalists were liberated after a short detention.

#### STRUCK AN ICEBERG.

City of Rome Has an Exciting but Not Disastrous Experience nt Sen.

NEW YORK, Sept. 4.—The chartered Anchor liner, City of Rome, came into port to-day after having been in collision with an iceberg off the banks. She struck the floating ice head on, but did not sus tain much damage. As she came up the bay there was nothing to show that she HOENECK DID THE STABBING had been in collision except her broken figurehead and bent bobstay. When the vessel struck the first cabin passengers were at dinner, and a scene of wild con-fusion followed. The passengers who were in the dining hall poured on deck to find out what was the matter, and it was several moments before the crew could quiet their fears. Women screamed and some began to pray, thinking that the liner was, going to sink. The officers acted in such a way as to win the admiration of all, and the passengers testify that the life boat crews were in their stations a moment after the collision.

Much Hose Destroyed at Dold Fire.

It was warm on the fourth floor of the city hall last night. Not solely on account of the ambitious efforts of the thermometer, but owing somewhat to the rather exciting mixup between the upper house fire committee, Chief Hale, of the fire department, and City Comptroller Hans Lund. It all occurred through the efforts of the chief and the fire committee to get enough sown as to what the fire department to excitinguish fires. Mr. Lund had ideas of his own as to what the fire department needed; the chief had an idea that he knew how to run his department without cilcuation from the comptroller, and the fire committee had an idea that when the council was ready to pass an ordinance for the appropriation of money it was not within the province of the comptroller to dictate to the had an idea that when the council was ready to pass an ordinance for the appropriation of money it was not within the province of the comptroller to dictate to the had an idea that when the council was ready to pass an ordinance for the appropriation of money it was not within the province of the comptroller to dictate to the had an idea that when the council was ready to pass an ordinance for the appropriation of money it was not within the province of the comptroller to dictate to the had an idea that when the council was ready to pass an ordinance for the appropriation of money it was not within the province of the comptroller to dictate to the had an idea that when the council was ready to pass an ordinance for the appropriation of money it was not within the province of the comptroller to dictate to the had an idea that when the council was ready to pass an ordinance for the appropriation of money it was not within the province of the comptroller to dictate to the had an idea that when the council was ready to pass an ordinance for the appropriation of money it was not within the province of the comptroller to dictate to the had an idea that when the council was ready to pass an ordinance for the app to quieting the passengers.

spoke to me, at the same time getting up and pulling on his trousers. He then lit a match and held it up to light the gas. Just as he did so I came up behind him and put one arm around his neck. Then I stabbed him under his uplifted arm. "How many times?" asked the chief of

"Three or four; I don't remember just how many. He cried murder-not very loud, because the knife had gone deepthen he fell to the floor." Hoeneck, to make sure of the work,

stabled him again. Then the two walked rapidly downstairs and away from the use. As they left the premises, Hundhausen warned his companion to hide the bloody knife, which he still held in his hand, and Hoeneck put it under his coat until their room was reached, when it was thrown into a vaiise with their revolvers and cartridge beits. Boarding a car, they proceeded to Grand Crossing, where they were captured. It was the intention to go to Baltimore and from there take a cattle

were captured. It was the intention to go to Baltimore and from there take a cattle steamer to Europe, and ultimately to South Africa if possible.

"Whichever got the chance was to do the killing," said Hundhausen. "I had my knife ready, but Richard was nearer Koeller and got the first chance."

Hoeneck expressed sorrow for what he had done, and said the crime did not appear so awful when he planned it. Hund-

### hausen, however, is apparently indifferhausen, nowever, ent. ent. "I have intended to avenge my brother "I have intended in Hermann. Mo., "I have intended to avenge my brother who was assassinated in Hermann. Mo., for ten years," said Hoeneck. "I had been told that the father of George and Walter Koeller had been concerned in it and I came to Chicago intending to kill both the

boys,"

Both prisoners admit their ideas of ad-

Both prisoners admit their ideas of adventure were inspired by the reading of dime novels, and several of these, together with revolvers, bowie knives, and one or two obscene pictures, were found in their value. The police state that both are perfect types of degenerates, and believe that dime novel reading had more to do with the crime than the desire for revenge. An inquest on Koeller's body will be held September 14. and both men will be held without ball. Koeller's body will be shipped to his former home in Hermann, Mo., for burial.

DIXON, ILL., Sept. 4.—W. E. Koeller, who was murdered in Chleago Saturday night, was well known here. He was in the business department of the Normal school, and, being an athlete, he was a member of the ball team. He was a general favorite with all who knew him. While here he met Miss Jessie Horn, of Spidley, Ill., to whom be became engaged. He left here for Chleago three weeks ago to enter the employment of the Griffin Iron Company, rooming with his brother, at whose home he was slain while lying ill in bed.

About August 1 Prederick Hundhausen, of Hermann, Mo., came here and entered school. He was a neatly dreesed young

at whose home he was slain while lying ill in bed.

About August I Frederick Hundhausen, of Hermann, Mo., came here and entered school. He was a neatly dreesed young man, and had considerable money, which he spent freely. At the time he did not mention his acquaintance with Koeller. Last Sunday Richard Hoeneck, also of the same place, visited Hundhausen, occupying the same room. It was not long before they made inquiries for Koeller, and sent a note to one of the students, a Miss Jessie Scott, asking for his address. Miss Scott gave them the Chicago address of Koeller. Hundhausen is said to have displayed to some of his acquaintances two played to some of his acquaintances two dirks, remarking: "We will have use for these soon."

This." added the senator, "is a practical age. We are going to deal with these soon." Hundhausen and Hoeneck left here for

TRENTON, MO., Sept. 4.—(Special.) er. The two then walked to the Oakley avenue station, saw George Koeller at was arrested to-day, charged with the work, then returned to Walter's home and murder of his wife. Mrs. McCracken died

# in an Encounter With a

Farmer. SPRINGFIELD, MO., Sept. 4 .- (Special.) Harvey Murray, a prominent lawyer and business man of Ash Grove, was fatally injured in an encounter this afternoon with E. G. Mays, a farmer. The two men quarreled over a business transaction quarreled over a business transaction while standing at the top of a stairway. They clinched and both fell down the stairs. Murray's head struck the door casing, fracturing his skull. Doctors say he cannot live until morning.

One of Darnell Boys Arrested. COFFEYVILLE, KAS., Sept. 4.—(Special.) One of the Darnell boys, who shot and killed City Marshal A. A. Wilson and wounded Sheriff O. G. Kiser, at Sedan last Thursday, was captured Sunday evening near Jonesburg. He was kept in the jail at Sedan Sunday night and a score of armed deputies guarded him against a mob that wanted to lynch him. He was taken to the Winfield jail for safe keeping. The other Darnell is still uncaught, but a posse is pursuing him.

Calvird Gives Himself Up. OSCEOLA, Mo., Sept. 4.—(Special.) Henry Calvird, who fled after killing James Webb at this place on Saturday night, returned to-day and gave himself up. A charge of murder in the second degree was made against him and his bond fixed at \$1,000. He found no trouble in filling the bond. He waived preliminary examination.

## Trial of Jester Set.

MEXICO, MO., Sept. 4.—(Special.) The trial of Alexander Jester, accused of the murder of Gilbert Gates, was set to-day for hearing September 18. The attorneys say that it is almost certain that the case will be postponed when it is called on that date.

SENATOR CARTER SAYS THAT IS THE PHILIPPINES QUESTION.

'THIS IS A PRACTICAL AGE"

SAYS SENTIMENT WILL HAVE LIT-TLE TO DO WITH VERDICT.

If Islands Are Unprofitable, People Will Re in Favor of Ahandoning Them-Thinks the War Will Be Ended by the First of January.

this question on the basis of dollars and cents. If the American people believe that the Philippines are going to help us, they will never let the islands go. If, on the other hand, they find that the Philippines mean a constant drain and small returns, you will find the verdict of the people to against permanent retention. Neither religion nor sentiment will have much influence in determining the verdict. The great question will be, will it pay? If we

American people.

"As to the form of government," continued Senator Carter, "I should say that a government ought to be appeinted by the

# JIMINEZ TO LAND TO-DAY.

he saved up the doses given him by the His Revolutionary Party, However, Is Still in Jail at Baracoa. Cuba.

> CAPE HAYTIEN, HAYTI, Sept. 4.-The steamer Georges Croise, with the Jiminez party on board, reached Baracoa yesterday, the Dominican revolutionary expecting to take passage there for San Lomingo. The expedition, however, was first party jailed and no order for their release could be obtained. The wire being lease could be obtained. The wire being down, it was impossible to communicate with Santiago. Jiminez was greatly disappointed and said he had positive assurance from General Wood that there would be no difficulty in procuring their release. Jiminez left this afternoon, and will land on Dominican soil at Puerto Flata to-morrow, where he anticipates an enthusiastic reception. Thence it is his intention to proceed to Santiago de Los Caballeros, the largest inland town of San Dominigo.

Domingo.

PORTO PLATA, Sept. 4—In the expectation of the early arrival of General J minez, elaborate preparations are being made
to give him a brilliant reception. The enthusiasm is universal and the people are work, then returned to Walter's home and told Mrs. Alexander, the housekeeper, they had permission to see Waiter.

"Hundhausen knocked on Koeller's door," said Hoeneck. "It was dark, and when I spoke to Walter he was lying on the bed. He recognized my voice and WILL PROVE TO BE MURDER.

WILL PROVE TO BE MURDER.

Was arrested to day, and thusiasm is universal anxiously awaiting his advent upon the anxiously awaiting his believed that he will arrive here by a special steamer early to-morrow. Senor Vasquez, a delegate of the provisional government, arrived this evening at thusiasm is universal anxiously awaiting his advent upon the scene. It is believed that he will arrive here by a special steamer early to-morrow. Senor Vasquez, a delegate of the provisional government, arrived this evening at the head of a deputation of seven, whose presence will add eclar to the reception. News from Guayabin announces the surrender of General Pichardo, governor of Monte Christi, who was encamped near government of Figuereo.
